

Scholarly Collection of Korean Social Science 1-500

Main Content: This collection is a comprehensive library of essays and dissertations of social sciences produced in the Democratic People's Republic of Korea. It is dedicated to the general display of the achievements in the studies of social sciences since national liberation (August 1945). Classified in ten areas—revolutionary activities of President Kim Il Sung, Chairman of the DPRK National Defence Commission Kim Jong Il, and anti-Japanese heroine Kim Jong Suk, philosophy, economics, law, linguistics, literature, history, national classics, archaeology, and folklore—the collection contains works and discourses written by academicians, candidate academicians, professors, PhDs, and other prominent figures in the field of social sciences in the DPRK.

At Presents, We had published upto 500 vols.
